I see the real you
You put me in my place
Close to perfection
You're outta control, you're outta control

Pardon me, I feel the need to scream
I'm ill stuck in the chemical abyss
I'm grippin' at the walls around me

Pardon me, if I was laughin' at the crimes
I was laughin' at the way you lie
Tell me why

All lies come down to this

'Cause I don't need friends to wrap me up in red tape
Get 'em off my back, they're dead weight
In case you didn't catch my signs the first time
Let me tell you again

All my life I tried to explain
How I love myself to release the pain
Anti-magnetic, so quit your bitchin', lyin', cryin'
Tell me why

Lately, inside I'm giving in to revenge
Tell me why I'm in and over my head
Why I'm in over my head
I'm in so deep that

When I wake up I don't wanna know you
Tell me my name again
Just a beautiful disgrace
A beautiful disgrace, a beautiful disgrace

Come with me so I can show you how to live
Burnin' the candle at both ends
I'm gripping at the walls around me

Don't complicate it
I'm addicted to this life
I'll be your token of attention

All my lies come down to this

Lately inside I'm giving in to revenge
Tell me why I'm in over my head
Why I'm in over my head
I'm in so deep that

Lately inside I'm giving in to revenge
Tell me why I'm in over my head
Why I'm in over my head
[Incomprehensible]

The real you
You put me in my place
Close to perfection
You're out of control

I see the real you
I saw through everything
Close to perfection
I saw through everything

If I could take away this pain
Just one more time, I might
I saw through everything
Tell me why I'm in over my head

When I wake up I don't wanna know you
Tell me my name again
You're just a beautiful disgrace
Such a beautiful disgrace

Disgrace, disgrace
You're such a beautiful disgrace
You're so vain, vain, vain

Grow your guilt from another vine
I've given this enough time
Lately, inside I'm giving in

Grow your guilt from another vine
I've given this enough time
Lately, inside I'm giving in

Grow your guilt from another vine
I've given this enough time
Lately, inside I'm giving in

Grow your guilt from another vine
I've given this enough time

[Inaudible]
Such a beautiful disgrace
You're so vain, vain, disgrace
