// The Song's Name is SAVING FACE"
// Actually its SAVING FACES"

She lives the glamour days
The Euro-fashion phase
So set another trap some other way
Cause she's not biting
And oh no, she's getting wasted again...imagine that
Hooked on saving face
What are you thinking?
What are you doing here?

(Chorus)
You pretend you're safe inside
But i know what no one knows
We're the same
Undefined by you as you're living through my eyes
You pretend you're safe inside
But i know what no one knows
We're the same
Undefined by you as you're living through my eyes
Always living through my eyes

She's taking over the game
And always running away
They've tried to tug her in so many ways
Still she's inviting
And oh no, she's playing bastard again...imagine that
Hooked on pointing fingers
Are you breathing?
What are you doing here?

(Chorus)
Cause it's a union of androgyny
That lingers like the plague
Know it's still a question of gender
Imagine she's pretending that she's hooked on saving
face
What were you thinking?
What are you doing here?

(Chorus out)
