Found out you're really something they talk about you Then turn your confidence against you now, into nothing

Grinning from the daze Petrified and blazed Feels good to know they care Special friends, simply two faced

You couldn't let go Your talking got you here Tearing up everyone Respect, you don't know

They say I'm jaded, 'Cause they know it's true With all those silly people on the wonder wheel

Listen from the dazed Purified and crazed Feels good to hear them share Hateful friends, simply two faced

You couldn't let go Your talking got you here Tearing up everyone Respect, you don't know

(Don't waste your fucking time) Don't waste your fucking time Let live, let go ([incomprehensible]) Don't waste your fucking time Let live, let go ([incomprehensible]) Don't waste your fucking time Let live, let go ([incomprehensible]) Don't waste your fucking time Let live, let go ([incomprehensible]) Don't waste your fucking time Let live, let go

Don't waste your fucking time Let live, let go

Don't waste your fucking time Don't waste your fucking time (Let live, let go)
Don't waste your fucking time Don't waste
