Dissention Remix found out you're really something they talk about you then turn your confidence against you now into nothing grinning from the daze petrifed and blazed feels good to know they care special friends simply two faced

chorus:

you couldn't let go your talking got you here tearing up everyone respect you know

they say I'm jaded 'cause they know its true with all those silly people on the wonder wheel glisten from the daze purified and crazed feels good to hear them share hateful friends simply two-faced

chorus:

dont waste your preciouse time let live let go x3, ya sit around the table my gossip queen, shouldnt be talking dont wast your preciouse time let live let go x3, 'cause when i get ya your gonna say what you need, ive gotta get away from you 'cause it done for now. dont waste your preciouse time (end)
