the odyssey:

what would you do if you finally believed in your self,
but you just don't know, your ass from a hole in the
ground,
so true it's a violation,
hide your self from the same old memories,
your image is your invitation,
there's no time for sleep so mother fucker come on,

chorus:

welcome to the odyssey,
welcome to the odyssey,
welcome to the odyssey,
welcome to the odyssey,

passing through a black hole in the sky,
from the 30th century,
so you feel like me,
you traded in your high school ring to get away from
the pom pom boys, and the
jock strap girls,
yea give me the super pill to make things better,
yea give me the super pill to make every thing alright,

chorus:

welcome to the odyssey,
welcome to the odyssey,
welcome to the odyssey,
welcome to the odyssey,
the odyssey,
the odyssey,
the odyssey,

you've been driven by your faceless personality,
and your image is your own faceless odyssey,

chorus:

come on welcome to the odyssey,
welcome to the odyssey,
welcome to the odyssey,

welcome to the odyssey,
welcome to the odyssey,
welcome to the odyssey,
welcome to the odyssey,
welcome to the odyssey,
the odyssey,
the odyssey,
the odyssey,

the odyssey.
