Let's fake an answer for the curious  
Let's fake it all for the fame  
They'll think delivering was easy  
Living the fairy tales and the lies, lies

Message from opticon  
Blast from the fashion bomb  
So helpless, guess what?  
You're out of time  
Message from opticon  
Blast from the fashion bomb  
So helpless, guess what?  
You're out of time

New aliens spawn, we reinvent the dawn  
And no one's style compares  
Those neon eyes make mom and dad think that we've  
lost our minds  
They're just terrified of all new things

Message from opticon  
Blast from the fashion bomb  
So helpless, guess what?  
You're out of time  
Message from opticon  
Blast from the fashion bomb  
So helpless, guess what?  
You're out of time

Opticon is here to lead us

(Blast from the fashion bomb)  
Message from opticon  
Blast from the fashion bomb  
So helpless, guess what?  
You're out of time  
Message from opticon  
Blast from the fashion bomb  
So helpless, guess what?  
You're out of time

Message from opticon

Blast from the fashion bomb  
So helpless, guess what?  
You're out of time

So quick to change us  
Opticon is here to lead us  
(And imitate us)
