they feel they've raised her
the new queen of evolution
her fate won't see to that
cause we're gonna know her later
grab that girl
get her home
let's put her on restriction
last time we let her go
she missed 2 days of school
let's get her back
get her back
this feels like a real life fantasy
it feels like you
relaxed in vermin life
takes the place of feeling bad
so you tried it
recalling memories
of charm school pantomime turned so bad
dainty socialite
she changed her point of view
and now she's bad
can't hide it
i think she really liked
all the things that she learned
this feels like a real life fantasy
it feels like you
be a good girl like your supposed to
dominate your fears
be a good girl like your supposed to
dominate your fears
be a good girl like your supposed to
dominate your fears
good girls like you should be
i think you better know
this feels like a real life fantasy
it feels like you
