I, don't wanna know your name  
And I, don't want your private number, baby  
All I know is that to me  
You look like you're lots of fun  
Open up your loving arms  
I want some, want some  
I set my sights on you (and no one else will do)  
And I (I, I, I), I've got to have my way now, baby  
All I know is that to me  
You look like you're lots of fun  
Open up your loving arms  
Watch out here I come  
You spin me right round, baby  
Right round like a record, baby  
Right round, round, round  
You spin me right round, baby  
Right round like a record, baby  
Right round, round, round  
I got to be your friend now, baby  
And I would like to move in a little bit closer  
All I know is that to me  
You look like you're lots of fun  
Open up your loving arms  
Watch out, here I come  
You spin me right round, baby  
Right round like a record, baby  
Right round, round, round  
You spin me right round, baby  
Right round like a record, baby  
Right round, round, round  
All I know is that to me  
You look like you're lots of fun  
Open up your loving arms  
Watch out here I come  
You spin me right round, baby  
Right round like a record, baby  
Right round, round, round  
You spin me right round, baby  
Right round like a record, baby  
Right round, round, round
