

## Rita Ora "Fair"

Visit "[Fair](#)" on [MotoLyrics.com](#)

I keep trying, trying to go  
On my way but I'm walking too slow  
Cause I really know I wanna stay here, whoa  
And I know the best place stay here with you  
Only sad days when I'm near you  
And I don't need that kind of pain anymore  
But I don't wanna be the one who gives up every time  
The road is tough but I wanna see if  
I can hang in there

Every jealous day fair, how I feel to believe  
That we can make up, don't wanna [?] unfair  
How I don't want you to leave

Why do I keep holding on when I know I should give up?  
Only it's so hard to give it up, why is so hard to give it  
up?  
Oh I've been trying to give it up, give it up  
Oh I just can't give it up  
And I'll be down I had enough, my heart ain't nearly  
strong enough  
Why do I keep holding on when I know I should give up?

I keep fighting, blow after blow  
In this ring of love the [?]  
It's all that ever happened [?] in the end  
But I tell myself that it's gonna get better  
Lying to myself and never get better, never better  
In this love  
Cause I don't wanna be the one who gives up every  
time  
The road is tough but I wanna see if  
I can hang in there

Every jealous day fair, how I feel to believe  
That we can make up, don't wanna [?] unfair  
How I don't want you to leave

Why do I keep holding on when I know I should give up?  
Only it's so hard to give it up, why is so hard to give it  
up?  
Oh I've been trying to give it up, give it up

Oh I just can't give it up  
And I'll be down I had enough, my heart ain't nearly  
strong enough  
Why do I keep holding on when I know I should give up?  
Yeah, yeah  
I know that I, I should give up this love, yeah  
I should give up this love, yeah

Why do I keep holding on when I know I should give up?  
Only it's so hard to give it up, why is so hard to give it  
up?  
Oh I've been trying to give it up, give it up  
Oh I just can't give it up  
And I'll be down I had enough, my heart ain't nearly  
strong enough  
Why do I keep holding on when I know I should give up?
