And party and bullsh-t
And party and bullsh-t
And party and bullsh-t...
And party, and party

I stumbled up to the window
Opened the curtains to blinding light
Make up all over the pillow
What went on? what went on?
What went on last night?
You look so sweet while you're dreaming
Holding your bottle of tanger red
It isn't even the weekend,
Baby that's how I know, you're the one for me

I wanna party and bullsh-t
And party and bullsh-t
And party and bullsh-t
And party and bullsh-t...
And party, and party

Cause when the sun sets baby
On the avenue
I give that drunk s-x feeling
Yeah when I'm with you
So put your arms around me baby
We're tearing up the town
Cause that's just how we do
We got that sweet hot loving
Dancing in the dark
Out in the streets we're running
Shut down every block
So put your arms around me baby
We're tearing up the town
Cause that's just how we do

How we do, that's just how we do
How we do, that's just how we do

Hungover I think I'm broken
You said the fix is a shot of Jack
I said, "Man, what are you smoking?"

But alright, pour a glass, and we'll throw 'em back

I wanna party and bullsh-t
And party and bullsh-t
And party and bullsh-t
And party and bullsh-t...
And party, and party

Cause when the sun sets baby
On the avenue
I give that drunk s-x feeling
Yeah when I'm with you
So put your arms around me baby
We're tearing up the town
Cause that's just how we do
We got that sweet hot loving
Dancing in the dark
Out in the streets we're running
Shut down every block
So put your arms around me baby
We're tearing up the town
Cause that's just how we do

How we do, that's just how we do
How we do, that's just how we do
How we do, that's just how we do
How we do, that's just how we do

And party and bullsh-t
And party and bullsh-t
And party and bullsh-t...
And party, and party

I wanna party and bullsh-t
And party and bullsh-t
And party and bullsh-t
And party and bullsh-t...
And party, and party

Cause when the sun sets baby
On the avenue
I give that drunk s-x feeling
Yeah when I'm with you
So put your arms around me baby
We're tearing up the town
Cause that's just how we do
We got that sweet hot loving
Dancing in the dark
Out in the streets we're running
Shut down every block
So put your arms around me baby

We're tearing up the town
Cause that's just how we do

How we do, that's just how we do
How we do, that's just how we do
How we do, that's just how we do
How we do, that's just how we do

And party and bullshit
And party and bullshit
And party and bullshit
And party and party
