I've had bad dream too many times
To thing that they don't mean much anymore
Fine times have gone and left my sad home
And friends who once care they just walk out my door

Chorus:

But love has no pride
When I call out your name
Love has no pride
When there's no one to blame
I'd give anything to see you again

I've been alone too many nights
To thing that you could come back again
I've heard you talk: "She's crazy to stay"
But this love hurts my so I don't care what you say

Chorus

Bridge:

If I could buy your love, then I'd surely try, my
friend
And if I could pray, my prayers would never end
But if you want me to beg I'll fall down on my knees
Ask for you to come back,
I'd be pleading for you to come back,
Beg for you to come back to me

Chorus
