You ask me if there'll come a time  
When I grow tired of you  
Never my love, never my love  
You wonder if this heart of mine  
Will lose its desire for you  
Never my love, never my love

What makes you think love will end  
When you know that my whole life depends  
On you

Never my love, never my love

You say you fear I'll change my mind  
I won't require you  
Never my love, never my love

How can you think love will end  
When I've asked you to spend your whole life  
With me

Never my love, never my love

Never my love, never my love
