Gimme the bad news  
Yea, tell it to me straight  
I can take it  
I'll start on the countdown  
I've got about a minute left for you  
Someday, I'm gonna laugh it off until I cry  
Someway, I'm going to get on with my life

So gimme the bad news baby  
Now don't make me wait  
I wanna know that I'm your biggest mistake  
Gimme the bad news baby  
Now don't turn away  
I know the truth no matter what you say  
Gimme the bad news, the bad news today

So tell me how it feels when you fake it  
You nearly ought to hang around  
And even if there's nothing left to do  
Yea, go on  
Let me see you act like the king of truth  
Yea, be strong  
I'm gonna leave it up to you

So gimme the bad news baby  
Now don't make me wait

I wanna know that I'm your biggest mistake  
Gimme the bad news baby  
Now don't turn away  
I know the truth no matter what you say  
Gimme the bad news, the bad news today

Tell it to me loud  
That you can't take it  
Yea, scream it out loud  
We're going down  
I wanna stay and shout  
Now gimme something to do

So gimme the bad news baby

So gimme the bad news baby  
Now don't make me wait  
I wanna know that I'm your biggest mistake  
Gimme the bad news baby  
Now don't turn away  
I know the truth no matter what you say  
Gimme the bad news, the bad news today  
Gimme the bad news today

So gimme the bad news  
Yea, tell it to me straight  
Gimme the bad news
