"Filthy Blues"

You've been my motor
Running file miles straight
I gotta get some love
Before it's too late
So damn lonely every day and every night
But even my time's got in a cat fight
Here I am all alone in this hotel room
A one night stand with the filthy blues!

Roll into Memphis with a broken heart
With my baby all night torn the strings apart
Cause I'm drinking at a downtown bar
I can't help but wonder
Where the hell you are
Here I am all alone in this hotel room
A one night stand with the filthy blues!
