Poison on your lips  
Fatal little kiss  
Once you've been bit  
Ain't no getting over it

Oh, come on baby  
Oh, don't keep me waiting  
Don't leave me broken hearted  
Let's get this party started  
Hey, hey, hey

Sex E Bizarre  
That's who you are  
You're driving me crazy in your bad boy car  
You ain't no angel, rock star  
Turn it up  
Make it loud  
Rock it out  
Sex E Bizarre

Devil with a smile  
Darker side of wild  
Laying down your spell  
On a sweet voodoo child

Oh, come on baby  
Oh, don't keep me waiting  
Don't leave me broken hearted  
Let's get this party started  
Hey, hey, hey

Sex E Bizarre  
That's who you are  
You're driving me crazy in your bad boy car  
You ain't no angel, rock star  
Turn it up  
Make it loud  
Rock it out  
Sex E Bizarre

Oh, come on baby

Oh, don't keep me waiting  
Oh, oh  
Hey, hey, hey

Sex E Bizarre  
That's who you are  
You're driving me crazy in your bad boy car  
You ain't no angel, rock star  
Turn it up  
Make it loud  
Rock it out  
Sex E Bizarre
