Must be you if the phone don't ring
Here I am obsessing
He loves me, yeah, he loves me not
I tell myself I should just learn to shut up
No I need to be like you

Ignore my emotions emotions are dumb
Surfing the channels till my senses are numb
Shorten my attention span,
I should think like a man
Stick my foot in my mouth and just run away
Turn off my cell, I ain't got nothing to say
Disappear and not give a damn
I should think like a man
I should think like a man

Oblivious it must be nice
Nothing spoils your appetite
You're checking out every blonde in
sight
You're telling me that it's just all in my
mind
Yeah I want to be like you

Ignore my emotions emotions are dumb
Surfing the channels till my senses are numb

Shorten my attention span,
I should think like a man
Stick my foot in my mouth and just run away
Turn off my cell, I ain't got nothing to say
Disappear and not give a damn
I should think like a man
I should think like a man

I could save myself so much trouble
I could save myself this heartache
But it's the best advice I know I'll never ever take

Yea I got to, I need to, I want to be like you

Ignore my emotions emotions are dumb

Surfing the channels till my senses are numb
Shorten my attention span,
I should think like a man
Stick my foot in my mouth and just run away
Turn off my cell, I ain't got nothing to say
Disappear and not give a damn
I should think like a man
I should think like a man
I should think like a man
