You're the sun in my sky,
And you're my secret lullaby.
You're everything to me.
You're the one I love,
And you're the one I'm thinkin' of.
You're everything to me.

So why can't you be with me?
Somebody else I'd rather be.
So why can't you be next to me?
Cause you're out of reach,
Somewhere I can't be
Somewhere I can't see,
But I've got to find a way,
So I can see your face,
Once again, once again.
So why are you out of reach to me?
Someone else that I would rather be.

I'm the sun in your sky,
And I'm not the one in by your side
Am I anything to you?
Am I the one that you love?
Or the one you're thinkin' of?
Am I anything to you?

So why can't you be with me?
It's somebody else you'd rather see
I wish you were next to me.

Because you're out of reach
Somewhere that I can't be,

Somewhere that I can't see
But I got to find a way
So I can see your face,
Once again, once again.
So why are you so out of reach to me?
Someone else that I would rather be.

Will I ever see your face again?
Will you ever see me like I wished?

You are all I want in this whole world.
Im invisible to you,
Im like a ghost passin through,
In your eyes,
Ohh wooahhhhhh

(.:*Guitar Solo*:.)

So why cant you be with me?
Its somebody else youd rather see
I wish you were next to me.

Because youre out of reach
Somewhere that I cant be,
Somewhere that I cant see
But I got to find a way
So I can see your face,
Once again, once again.
So why are you so out of reach to me?
