I saw her dancing barefoot in the sand, Irresistible to each and every man. I love to watch her sleep. Would she dream about me? Well. I don't think so. It was never meant to be.

I can love you like no other can. Sexy ways, sexy ways, sexy ways.

Sweet temptation has booked me in your maze. I played the fool, if the fool wins all the games. I run in circles, trying to find my way to you. And when I get there, there are some things that are overdue.

I can love you like no other can. Sexy ways, sexy ways, sexy ways, sexy ways.

I can love you like no other can. Sexy ways, sexy ways, sexy ways, sexy ways.
