So for these next few minutes, submerge your mind Peace is filling your mind I'd like you to visualize your mind interior

I offer you my sweet devotion
I will try to make it easier for you
I reach for your and sweet devotion
Here I know, here I know,
Don't waste my time
On reasons you can't fight
Lay down with you, sweet devotion
Sweet devotion, I'm not perfect but my faith is true
Be here I know, here I know
Don't waste my time
On reasons you can't fight
Your mind, listen, your mind

When you look, I'll be gone Tears for you, no tears for you
