Woke up on the right side of the bed  
Whatâ€™s up with this Prince Song inside my head?  
Hands up if youâ€™re down to get down tonight  
Cause itâ€™s always a good time.

Good morning and good night  
Iâ€™ll end up at twilight  
Itâ€™s gonna be alright.

As long as you love me (oh oh)  
As long as you love me

Everybodyâ€™s gonna love today, gonna love today,  
gonna love today (hey, hey)  
Everybodyâ€™s gonna love today, gonna love today,  
gonna love today (say! Check my flow)

I feel so close to you right now  
I threw a wish in the well, donâ€™t ask me Iâ€™ll never  
tell  
I wear my heart upon my sleeve  
I looked to you as it fell and now youâ€™re in my way

Falling from cloud nine  
Everyone else in the room can see it  
Crashing from the height  
Everyone else but you

As long as you love me  
We could be starving, we could be homeless, we could  
be broke  
As long as you love me  
Iâ€™ll be your platinum, Iâ€™ll be your silver, Iâ€™ll  
be your gold

As long as you la la-la la-la  
La la-la la-la la  
La la-la la-la la la love me  
I hear your heart beat to the beat of the drums  
We donâ€™t even have to try  
Itâ€™s always a good time

Woah oh oh oh oh oh oh oh (Iâ€™m wide awake)  
Letâ€™s make the most of the night  
Like weâ€™re gonna die young  
Woah oh oh oh oh oh oh oh (Everybodyâ€™s gonna  
love today, Iâ€™m wide awake)  
Thatâ€™s what makes you beautiful

Woah oh oh oh oh oh oh oh (Iâ€™m wide awake)  
Letâ€™s make the most of the night  
Like weâ€™re gonna die young (Stronger, stronger!  
Iâ€™m wide awake)  
We donâ€™t even have to try  
Itâ€™s always a good time.

Make no excuses now  
Iâ€™m talking here and now  
Iâ€™m talking here and now  
Iâ€™ve got the moves like Gangnam style  
Iâ€™ve got the moves like Gangnam style  
(Iâ€™ve got the moves) Op-op-op-op-Oppan Gangnam  
Style

White knuckles  
And sweaty palms from hanging on too tight  
Clench your jaw (uh uh uh uh)  
Iâ€™ve got another headache again tonight  
Letting go tonight  
Can you blow my whistle baby whistle baby let me know  
Yeah Iâ€™m falling from cloud nine  
Girl Iâ€™m gonna show you how to do it and we start  
real slow

You da one that I dream about all day  
You da one that I think about always  
You are da one so I make sure I behave  
My love is your love, your love is mine

As long as you love me  
We could be starving, we could be homeless, we could  
be broke  
As long as you love me  
Iâ€™ll be your platinum, Iâ€™ll be your silver, Iâ€™ll  
be your gold (Letâ€™s go)

As long as you la la-la la-la  
La la-la la-la la  
La la-la la-la la la love me (Let me see what you can do)  
Sex drive to push the start, I gotta sex drive to push the  
start  
Push push push push to start  
Push push push push to start

You show the lights that stop me turn to stone  
You shine it when I'm alone  
And so I tell myself that I'll be strong  
And dreaming when they're gone  
Oh oh oh oh oh  
Without the scheisse yeah  
Oh oh oh oh oh  
Without the scheisse yeah  
Oh oh oh oh oh  
Without the scheisse yeah  
Now you're just somebody that I used to know

Gimme all your love  
You could be my love boy  
You can be my boy; you can be my boy toy  
In the nick of time, I can say a sicker rhyme  
Cause it's time for change, like a nickel or a dime  
Gimme all your love  
I'm roman, I'm a barbarian, I'm Conan  
We don't even have to try  
It's always a good time.

Woah oh oh oh oh oh oh oh (I'm wide awake)  
Let's make the most of the night  
Like we're gonna die young  
Woah oh oh oh oh oh oh oh (Everybody's gonna  
love today, I'm wide awake!)  
Oh oh oh!  
That's what makes you beautiful

Woah oh oh oh oh oh oh oh (I'm wide awake)  
Let's make the most of the night  
Like we're gonna die young (Stronger, stronger!  
I'm wide awake)  
We don't even have to try  
It's always a good time.
