She took me from canyon to a~copter  
Somewhere between here and forever  
I dropped her  
I sat on the edge of my seat  
To see if she'd land on her feet  
She was all of a girl  
And I was all of a boy  
I was her tool  
She was my toy  
I never stopped loving her  
But I let her go  
The oldest story ever told  
Quick as a shadow  
Final as a sigh  
I buried her deep in my mind  
She's always a memory away  
But I'm always a memory behind  
At a roadside attraction  
Somewhere in Georgia  
A state trooper saw the whole thing  
But ignored it  
I gave the attendant a drink from my flask  
He said "if you wanted privacy,  
Hell, you could've asked"  
Then we were back on the road  
To places unknown  
They don't make a map  
For nowhere to go  
I never stopped loving her  
But one thing I know  
The best thing I ever did  
Was to let her go  
She shattered the darkness  
Like a prism breaks light  
I buried her deep in my mind  
She's only a memory away  
But I'm always a memory behind  
She took me from canyon to a~copter  
Somewhere between here and forever  
I dropped her  
I sat on the edge of my seat  
To see if she'd land on her feet
