Sheâ€™s got the big yawn  
But she wonâ€™t go to bed  
Sheâ€™s got the big yawn  
But she wonâ€™t go to bed  
Sheâ€™s tired and cranky her face is all red  
Sheâ€™s got the big yawn  
But she wonâ€™t go to bed  
Sheâ€™s got the big yawn  
But she wonâ€™t close her eyes  
Sheâ€™s got the big yawn  
But she wonâ€™t close her eyes  
I tell her when she wakes up  
There will be a surprise  
Thought we could come to a deal,  
But thereâ€™s no compromise  
Sheâ€™s got the big yawn  
But she wonâ€™t go to sleep  
Sheâ€™s got the big yawn  
But she wonâ€™t go to sleep  
Sheâ€™s waving her hands  
And sheâ€™s kicking her feet  
Sheâ€™s got the big yawn  
But she wonâ€™t go to sleep
