Baby, I know there's some things in the past that  
you couldn't understand  
But I now I wanna fix the bad and turn everything in  
good  
Because you are my life, and I do love you!

Baby, you're the only one I trust in this world  
And hopefully you'll understand that!  
Babe, cause when I hold you so close to me  
I feel so special like I never felt before  
No, you're cuter than a girl, sweeter than a girl  
Baby, oh and I want you to fix the pieces of the puzzle  
baby

Chorus:  
Cause you are my special,  
Girl, you mean everything to me  
We should be together, girl yeah  
Closer to we ever be  
Cause when we're together heart is racing  
Oh, cause oh, oh, oh

Seen now.. some things in the past that you didn't  
like  
But I'll swear this time around I'll get it  
right  
Cause you are the one I wanna be with  
To wake up in the morning, to give you all the love  
And baby, oh, see I never meant to hurt you that way  
See, I'm here to make the sacrifice!  
Only to love you, there's no one above you  
Baby I only want

Chorus:  
Cause you are my special,  
Girl, you mean everything to me  
We should be together, girl yeah  
Closer to we ever be  
Cause when we're together heart is racing  
Oh, cause oh, oh, oh

I only wanna be, I only wanna be

I only wanna be, I only wanna be  
I only wanna be, I only wanna be  
Sing it out!  
I only wanna be, I only wanna be  
I only wanna be, I only wanna be  
I only wanna be, I only wanna be  
I only wanna be, I only wanna be

Chorus:

Cause you are my special,  
Girl, youâ€™ mean everything to me  
We should be together, girl yeah  
Closer to we ever be  
Cause when weâ€™re together heart is racing â€!  
Oh, cause â€! oh, oh, oh
