Excuse Me
My apologies
But your body is beyond baffling
You belong on the cover of a magazine
Or the covers of my mattressing
Wearing nothing but your mabaline
Maybaline
Ill do what ever it takes to make you
â€œSweatâ€
Go Head and let it off
Why put make up on
When we can sweat it off
Not to condescend
But youâ€™ re sexy
And Confident
Plus your competent
And your lips look like you had a scholarship for
college
And you spent it on some Collagen
You should take that as a compliment
Cuz I mean that honestly
While were on honesty
Donâ€™ t forget your promise ring
We donâ€™ t want you sweating
Cuz you donâ€™ t know what to tell him
I want to see you

Chorus

Sweat Sweat Sweat Sweat Sweat Sweat Sweat
I wanna See you
Sweat Sweat Sweat Sweat Sweat Sweat Sweat
I wanna See you
Sweat Sweat Sweat Sweat Sweat Sweat Sweat
I wanna See you
Sweat Sweat Sweat Sweat Sweat Sweat Sweat
I wanna See you

Shorty One pass a nine
Ass Ascinine
Got me running game no half time
I mean damn she fine

I mean damn Im
Trying to K Kill that
Flat line
Bending over stretching in positions
She can only learn from Yogo
Where you get it from
Damn thatâ€™s impressing
Sweatinâ€™ like itâ€™s a 100 degrees
Umm Bikram
Now she back up on it
Lean over let me see you put your back up on it
Bought a new dress
Spent hours in the mirror trying to get it together like a
matrimony
Humm Humm That bodies astounding
Work it out Work it out
Divorce counseling
She care less who sheâ€™s trying to impress
She just wanna she just wanna she just wanna
Sweat

Chorus

Sweat Sweat Sweat Sweat Sweat Sweat Sweat
I wanna See you
Sweat Sweat Sweat Sweat Sweat Sweat Sweat
I wanna See you
Sweat Sweat Sweat Sweat Sweat Sweat Sweat
I wanna See you
Sweat Sweat Sweat Sweat Sweat Sweat Sweat
I wanna See you
