You tell me I'm sorry  
That's all you can say  
You left with no reason  
In spite of the pain  
Now I know I've lost you  
Forever

The hurt of rejection is hurting inside  
And now that I'm broken  
I've got nothing to hide  
And now I'm just waiting  
For the sun to shine

(Chorus)  
Oooohhhh  
(As/cause) I cry in the rain  
(And you're the reason)  
Then I cry in the rain  
(And it's your fault)  
I stand but I fall  
Can't get up so I crawl  
Cause I cry in the rain

You took me for granted for all that I am  
Made me feel like I'm nothing  
How much more can I stand  
And now I'm still waiting  
For the sun to shine

(Repeat chorus 3x)

Yeah  
Yes I cry in the rain  
Oh as I cry in the rain  
Yes I cry in the rain  
Don't love me don't love me  
Cry ahahaha  
You tell me I'm sorry  
That's all you can say
