Hook:

'cause i've never never had some .game
until we always
and if i ever ever the chance again
i'll probably do the same
oh i won't let you go
singin ohh i .

OKAY i'ts Rockie checkin in
i'm lovin what i got
i'm about to run the game
but .this mother f*cker drop
yeah you can have it all
but you never take my spot
plus my flow going dirty
i see jet you bring em out
stayin clean and low key
has always been a win for me
clearer on the drama and tax on my enemy
if i die the day and issue ever be the .to me
i'm grateful for the things that i evolved ready for .
no doubt state .seen pages
not even.when i shot down vegas
an independent live you getting love to make it
then i did it on my own and down i'm taking favors
i self talk god . god pay
show love, why hate, get it now
while wait, .you gotta know the time is where.
say you got a gift i'm appreciated your present yeah
