Verse 1

Baby it seems like its been forever
3 years since we've been through
Sometimes I wanna pick up the phone and
Baby just hear from you
Baby I know
You got a man and I have to swallow my opride
Im so alone
Wish I could call you my baby lets hit rewind

Chorus

Baby girl it seems like forever since you been gone
away
Baby girl it seems like forever since you been gone
away
Even if I wait a million years I promise to you girl I will
stay
Baby girl it seems like forever since yu been gone away

Verse 2

I cant imagine living without you
I know what I did hurt you
Is it to late bae you know that I want to change
So tell me what I gotta do
Baby I know
You got a man and I have to swallow my opride
Im so alone
Wish I could call you my baby lets hit rewind

Chorus

Baby girl it seems like forever since you been gone
away
Baby girl it seems like forever since you been gone
away
Even if I wait a million years I promise to you girl I will
stay
Baby girl it seems like forever since yu been gone away

Bridge

Give the money
Give the car
Give my body

Give my soul
Give the women
Give it all/ as long as I have you
Give the fame
Give the shows
Give my time
Give the world
As long as I have you

CHORUS
