Why do we ever lie...  
Why do we ever cry...

We got a little thang going on the side  
I donâ€™t know how I feel or where to hide  
I just wanna survive  
I just wanna survive

I want itâ€¦  
Deep down in my soul  
I need itâ€¦  
Gonna loose control

Ever  
Why do we ever lie  
Ever  
Why do we ever cry  
I donâ€™t know  
I just want to be with you my love oh oh oh all my  
loveâ€¦ for you

Keep on getting hung up on the side  
And you know baby it hurts my foolish pride  
I just wanna survive  
I just wanna survive

I want itâ€¦  
Deep down in my soul  
I need itâ€¦  
Gonna loose control

Ever  
Why do we ever lie  
Ever  
Why do we ever cry  
I donâ€™t know  
I just want to be with you my love oh oh oh all my  
loveâ€¦ for you

Tell me why do we ever cry
