Hey hey babei
What's your name
What's your number
Can imine be the same
Ohh yeah I running out of patients
Ohh yeah can you feel the pain aiayayain
My heart pumps every time you sing
My heart pumps every time you sing
That's all take is the sound of voice
In my head there ssystems
And it's dark to see that your my baby
Baby your always
You got the power noo your in dis stopeble
Bababy your over, oer my body singing with joy
Ure over my body and I can't stop to think about you
Babay that's all sweve got time
Baby you have to come back another another an- o- th-
errr dayyy x
