When the rain  
Is blowing in your face  
And the whole world  
Is on your case  
I could offer you  
A warm embrace  
To make you feel my love

When the evening shadows  
And the stars appear  
And there is no - one there  
To dry your tears  
I could hold you  
For a million years  
To make you feel my love

I know you  
Haven't made  
Your mind up yet  
But I would never  
Do you wrong  
I've known it  
From the moment  
That we met  
No doubt in my mind  
Where you belong  
I'd go hungry  
I'd go black and blue  
I'd go crawling  
Down the avenue  
Know there's nothing  
That I wouldn't do  
To make you feel my love

The storms are raging  
On the rolling sea  
And on the highway of regret  
The winds of change  
Are blowing wild and free  
You ain't seen nothing  
Like me yet

I could make you happy  
Make your dreams come true  
Nothing that I wouldn't do  
Go to the ends  
Of the Earth for you  
To make you feel my love, To make you feel my love
