Whatsername:

Do you know what's worth fighting for?  
When it's not worth dying for?  
Does it take your breath away  
And you feel yourself suffocating?

Does the pain weigh out the pride?  
And you look for a place to hide?  
Did someone break your heart inside?  
You're in ruins

Extraordinry Girl:

One, 21 guns  
Lay down your arms, give up the fight  
Extraordinary Girl & Heather  
One, 21 guns  
Throw up your arms into the sky, you and I

Tunny:

When you're at the end of the road  
And you lost all sense of control  
And your thoughts have taken their toll  
When your mind breaks the spirit of your soul

Johnny:

Your faith walks on broken glass

Will:

And the hangover doesn't pass

Tunny, Johnny, & Will:

Nothing's ever built to last

You're in ruins

One, 21 guns

Lay down your arms, give up the fight

One, 21 guns

Throw up your arms into the sky, you and I

Did you try to live on your own

When you burned down the house and home?

Did you stand too close to the fire

Like a liar looking for forgiveness from a stone?

When it's time to live and let die  
And you can't get another try  
Something inside this heart has died  
You're in ruins

One, 21 guns  
Lay down your arms, give up the fight  
One, 21 guns  
Throw up your arms into the sky

One, 21 guns  
Lay down your arms, give up the fight  
One, 21 guns  
Throw up your arms into the sky, you and I

Heather:  
Nobody likes you everyone left you their all out with out  
you having fun
