ROGER

Who do you think you are?  
Barging in on me and my guitar  
Little girl - hey  
The door is that way  
You better go you know  
The fire's out anyway  
Take your powder - Take your candle  
Your sweet whisper  
I just can't handle  
Well take your hair in the moonlight  
Your brown eyes - Goodbye, goodnight  
I should tell you I should tell you  
I should tell you I should -- No!  
Another time - Another place  
Our temperature would climb  
There'd be a long embrace  
We'd do another dance  
It'd be another play  
Looking for romance?  
Come back another day  
Another day

MIMI

The heart may freeze or it can burn  
The pain will ease if I can learn  
There is no future  
There is no past  
I love this moment  
As my last  
There's only us  
There's only this  
Forget regret  
Or life is yours to miss  
No other road  
No other way  
No day but today

ROGER

Excuse me if I'm off track  
But if you're so wise  
Then tell me - Why do you need smack?  
Take your needle  
Take your fancy prayer

And don't forget  
Get the moonlight out of your hair  
Long ago - you might've lit up my heart  
But the fire's dead - Ain't never ever  
Gonna start  
Another time - Another place  
The words would only rhyme  
We'd be in outer space  
It'd be another song  
We'd sing another way  
You wanna prove me wrong?  
Come back another day  
Another day

MIMI

There's only yes  
Only tonight  
We must let go  
To know what's right  
No other course  
No other way  
No day but today  
MIMI & OTHERS ROGER  
I can't control Control your temper  
My destiny She doesn't see

I trust my soul Who says that  
There's a soul  
My only goal  
Is just - to be Just let me be  
There's only now Who do you think you are?  
There's only here  
Give in to love Barging in on me and my  
Or live in fear Guitar  
No other path Little girl, hey  
No other way The door is that way  
No day but today The fire's out anyway  
ALL  
No day but today Take your powder  
Take your candle  
No day but today Take your brown eyes  
Your pretty smile  
Your silhouette  
No day but today Another time  
Another place  
Another rhyme  
A warm embrace  
No day but today Another dance  
Another way  
Another chance  
Another day  
No day but today
