Young Tarzan:

Will someone tell me where I belong?  
Where I should go  
Can someone tell me where I am going wrong?  
I need to know

Tarzan:

Is this my past here before me  
Is this my story unfolding?  
It's all here to discover  
Everything that I am  
Can this be what I've been seeking?  
All my life I've been waiting for this  
And now these memories  
Will they make me see more?

Ooh I want to know where I belong  
I want to know where I came from  
I want to know the reason why I'm here  
The way I am  
Feeling the things I feel

Is this my family?  
Can it really be them that I see?  
My father and mother  
And in their arms can it really be me  
All these emotions  
I can barely control  
Cause the family I had  
Is not the family I know?  
Ooh and I got to know where I belong  
I got to know where I came from  
I got to know the reason why I'm here  
The way I am  
Feeling the things I feel

These spirits calling me  
Familiar voices haunting  
Disappearing taunting me  
This is the choice I must make

Cause I know where I belong  
I know where I, I came from  
I know the reason why  
I must decide  
And leave here  
The man I am inside

The future is clear for me to see  
To be the man I'm meant to be  
Like my father with my head up high  
Standing tall  
And proud of all  
That I am

I'm a man!
