Jane:

This affection I feel is hard to understand  
It's not the way I planned  
My world is changing  
Wherever I turn  
It's his face I see  
Looking back at me  
And in my eyes I can't disguise  
The affection I feel  
Is getting the better off me

Oh for the first time it's not a dream  
Oh for the first time it seems so real  
That I want to remember  
Every moment  
That I'm there beside him  
When he gently takes my hand  
So here I am  
Feeling things I've never felt  
And all because of him  
My world is changing

Tarzan:

She's turned my whole world upside down

Jane:

Everything that I do  
I do to catch his eye  
Well and I won't deny  
I stand here guilty

Tarzan:

I wonder if she feels the same

Both:

Is this affection (as) I feel

Has gotten the better of me

Both:

So for the first time  
Can this be love?  
Oh for the first time  
I know it's real

Jane:

And with him I feel

Both:

So completely  
Uniquely like no other  
As he gently holds me close

Jane:

But wait a minute  
What am I saying?

Tarzan:  
Ne'er thought no

Jane:

I never thought  
On a scale so grand  
Tarzan:

To be feeling  
Jane:

Are these emotions  
Racing through me  
Tell me I must  
Tell me I can

Tarzan:

I never felt these things

Both:

I'm finding who I am  
Cause for the first time

Jane:

I have no doubt

Tarzan:

These things she does

Both:

But for the first time

I understand, try to understand

Yes for the first time

I realise

That all the things they strange/separate happened

Well they're happening to me

Jane:

Every time I'm with that man

Tarzan:

Every time I'm with her

Jane:

Every time I'm with

Tarzan:

Could I be

Both:

That man
