Oh, fortune favors the brave  
Oh, fortune favors the brave

We have swept to glory  
Egypt's mastery expands  
From the Nile's northern delta  
To the dry, dry southern sands  
The more we find, the more we see  
The more we come to learn  
The more that we explore  
The more we shall return

Oh, fortune favors the brave

It's all worked out, my road is clear  
And I'm delighted to an extent  
Way beyond my wildest dreams  
Towards some great triumphant end  
We seize the day  
We turned the tide  
We touched the stars  
We marked the claim  
We moved into uncharted lands  
Fortune favors the brave

The more we find  
The more we see  
The more we come to learn  
The more that we explore  
The more we shall return

Nothing is an accident  
We are free to have it all  
We are what we want to be  
It's in ourselves to rise or fall

This is easy to believe  
When distant places call to me  
It's harder from the palace yard  
Fortune favors the free  
Fortune favors the young  
Fortune favors the brave
