I can hear the bells, Tracy, are you all right?
Well, don'tcha hear them chime? I don't hear anything
Can't 'cha feel my heartbeat keeping perfect time?
And all because he

Touched me, he looked at me and stared, yes he
Bumped me, my heart was unprepared when he
Tapped me and knocked me off my feet
One little touch now my life's complete 'cause when he

Nudged me, love put me in a fix, yes it
Hit me just like a ton of bricks, yes my
Heart burst and now I know what life's about
One little touch and love's knocked me out and

I can hear the bells, my head is spinning
I can hear the bells, some thing's beginning
Everybody says that a girl who looks like me
Can't win his love well just wait and see 'cause

I can hear the bells just hear them chiming
I can hear the bells my temperature's climbing
I can't contain my joy 'cause I finely
Found the boy I've been missin'
Listen, I can hear the bells

Round one, he'll ask me on a date and then
Round two, I'll primp, but won't late because
Round three's, when we kiss inside his car
Won't go all the way but I'll go pretty far and then

Round four, he'll ask me for my hand and then
Round five, we'll book the wedding band so by
Round six, amber, much to your surprise
This heavyweight champion takes the prize and

I can hear the bells, my ears are ringing
I can hear the bells, the bridesmaids are singing
Everybody says that a guy who's such a gem
Won't look my way well, the laugh's on them 'cause

I can hear the bells, my father will smile

I can hear the bells as he walks me down the aisle
My mother starts to cry but I can't see
'Cause Link and I are French kissin'
Listen, I can hear the bells

I can hear the bells, my head is reeling
I can hear the bells, I can't stop the pealing
Everybody warns, that he won't like what he'll see
But I know that he'll look inside of me yeah

I can hear the bells, today's just the start 'cause
I can hear the bells, and 'til death do us part
And even when we die we'll look down from up above
Remembering the night that we two fell in love

We both will share a tear and he'll whisper
As we're reminiscin'
Listen, I can hear the bells

She can hear the bells
I can hear the bells
She can hear the bells
I can hear the bells
Bum, bum, bum, bum
