Kerchak

My worst fear

I hold it now

I always knew that this would happen

Though he's a child it's in his blood

And he will grow

So now it's clear what I must do

I know too well what he'll become

For as long as I draw breath

I'll remember

Kala

Where's Tarzan?

Where is he?

Kerchak

No turning back

What's done is done

I have seen what they can do

He can't be saved by you, by me

It's too late

Kala

No, I won't let you do this

How can you think'd

Kerchak

No more fighting I'll be obeyed

I'll stand my ground

Don't dare defy me

I know his kind

I know the truth

I will protect us

No other way

Open your eyes

It's there to see

No other way

He's not one of us

And never will be

Kala

Just listen to me

Kerchak  
No more to say  
He is what he is  
And that won't change  
There's no other way  
I am leaving him here  
And here he'll stay

Kala  
He's just a child

Kerchak  
He was up in the trees  
Making a weapon  
And in time it is us  
He will hurt

Kala  
No

Kerchak  
Nothing and no one  
Will stop him becoming  
What he is  
And was by blood

No other way  
He won't come between me  
And those I loved  
Believe me when I say  
With my body and soul  
This I vow

Kala  
But I need him!

Kerchak  
No, no other way  
In spite of your pain  
It will be done  
No matter what you say  
He never was or could be  
Be my son  
There is no other way  
I won't let him near  
The rest of the tribe again

Kala  
I understand

Kerchak  
Where are you going?

Kala  
To find him  
We'll live away from the family

Kerchak  
For how long?

Kala  
For as long as he needs me

Kerchak  
You can't  
I won't be able to protect you  
Kala don't do this  
Please

Kala  
Kerchak I'm his mother

Kerchak  
No other way  
I should have done this before  
Long ago  
And from today  
Though they'll think of me cruel  
They won't know  
There was no other way.
