I peer through windows
watch life go by
dream of tomorrow
and wonder why
the past is holding me
keeping life at bay
I wonder lost in yesterday
wanting to fly, but scared to try

Chorus:
but if someone like you
found someone like me
then suddenly
nothing would ever be the same
my heart would take wing
and I'd feel so alive
if someone like you found me

so many secrets
I long to share
all I have needed
is someone there
to help me see a world
I've never seen before
a love to open every door
to set me free
so I can soar

if someone like you
found someone like me
then suddenly nothing would ever be the same
there be a new way to live
a new life to love
if someone like you found me

oh if someone like you found someone like me
then suddenly nothing would ever be same
my heart would take wing
and id feel so alive
if someone like you
found me
