TARZAN

Whatever you do
I'll do it, too
Show me everything and tell me how
It all means something and yet nothing to me

Oh I can see there's so much to learn
It's all so close and yet so far!
I see myself as others see me
Oh I just know there's something bigger out there

I wanna know;
Can you show me?
I wanna know about these strangers like me
Tell me more, please show me
Something's familiar about these strangers like me

Every gesture, every move that she makes
Makes me feel like never before
Why do I have this growing need to be beside her?

All these emotions I never knew
Some other world beyond this place
Beyond the trees, above the clouds
Oh, I see, before me, a new horizon

I wanna know;
Can you show me?
I wanna know about these strangers like me
Tell me more, please show me
Something's familiar about these strangers like me

Come with me, now, to see my world
Where there's beauty beyond your dreams
Can you feel the things I feel right now with you?

Take my hand
There's a world you need to know

JANE

I can't explain the way I feel
Everything I want, it's here

And my heart is beating faster
Every moment I'm with him
I feel so complete
I cannot deny what I'm feeling

TARZAN

I wanna know;
Can you show me?
I wanna know about these strangers like me
Tell me more, please show me
Something's familiar about these strangers like me
I wanna know!
