MARK

Don't breathe too deep  
Don't think all day  
Dive into work  
Drive the other way  
That drip of hurt  
That pint of shame  
Goes away  
Just play the game  
You're living in America  
At the end of the millenium  
You're living in America  
Leave your conscience at the tone  
And when you're living in America  
At the end of the millenium  
You're what you own

ROGER

The filmmaker cannot see

MARK

And the songwriter cannot hear

ROGER

Yet I see Mimi everywhere

MARK

Angel's voice is in my ear

ROGER

Just tighten those shoulders

MARK

Just clench your jaw til you frown

ROGER

Just don't let go

BOTH

Or you may drown

You're living in America

At the end of the millenium

You're living in America

Where it's like the Twilight Zone

You're living in America

At the end of the millenium

You're what you own

So I own not a notion

I escape and ape content

I don't own emotion - I rent  
MARK  
What was it about that night  
ROGER  
What was it about that night  
BOTH  
Connection - In an isolating age  
MARK  
For once the shadows gave way to light  
ROGER  
For once the shadows gave way to light  
BOTH  
For once I didn't disengage  
MARK  
Angel - I hear you - I hear it  
I see it - I see it  
My film!  
ROGER  
Mimi I see you - I see it  
I hear it - I hear it  
My song!  
MARK ROGER  
Alexi - Mark One song - Glory  
Call me a hypocrite Mimi  
I need to finish my own film Your eyes  
I quit!  
BOTH  
Dying in America  
A the end of the millennium  
We're dying in America  
To come into our own  
And when you're dying in America  
At the end of the millennium  
You're not alone  
I'm not alone  
I'm not alone
