TERK

You're one of a kind, I can't explain it.
You're kind of cool, in a wonderful way.
Though you're weird, you can make it.
And who better than me to teach you.
Who better then me to set you on your way. (Mhm)

This could take some hangin' in there
Though with persuasion I can take you on up
Make you grow up, beside the others
And who better than me to lead you
Who better than me to take you all the way (Hey hey
hey yeah)

YOUNG TARZAN & TERK

Struggling along for years and years

TERK

Until I came along for you
Now its all comin' together

YOUNG TARZAN & TERK

And together will see this through
You for me and me for you

YOUNG TARZAN

I can learn, I can listen
I know there's something
Deep inside but
I need assistance to go the distance

TERK

And who better than me

YOUNG TARZAN

To teach me

TERK

Who better than me

YOUNG TARZAN

To tell me all you know

TERK
Who better than me

YOUNG TARZAN
You reach me

TERK
Who better than me

YOUNG TARZAN & TERK
To show them all we know!
