Psst, Penny, what happened?
My mother's punishing me for going to jail without
permission
Well, I'm here to save the fair maiden in her tower
Oh, Seaweed, Tracy, you took beautiful behind bars

It must be the low-watt institutional lighting
Oh Tracy, they can keep us from kissing
But they can't stop us from singing

Once I was a selfish fool who never understood
I never looked inside myself, though on the outside, I
looked good
Then we met and you made me the man I am today
Tracy, I'm in love with you, no matter what you weigh
'cause

Without love, life is like the seasons with no summer
Without love, life is rock 'n' roll without a drummer
Tracy, I'll be yours forever 'cause I never wanna be
without love
Tracy, never set me free, no, I ain't lyin', never set me
free, Tracy
No, no, no

Once I was a simple girl, then stardom came to me
But I was still a nothing, though a thousand fans may
disagree
Tracy, fame was just a prison, signing autographs a
bore
I didn't have a clue 'til you came banging on my door

That without love, life is like my dad without his bromo
Without love, life is making out with Perry Como
Darling, I'll be yours forever 'cause I never wanna be
without love
So darling, throw away the key, I'm yours forever
Throw away the key, yeah, yeah, yeah

Living in the ghetto, black is everywhere ya go
Who'd 've thought I'd love a girl with skin as white as
winter's snow

In my ivory tower, life was just a hostess snack
But now I've tasted chocolate and I'm never going back

'Cause without love, life is like a beat that you can't
follow without love

Life is Doris day at the Apollo, darling, I'll be yours
forever

'Cause i never wanna be without love, so darling, never
set me free

I'm yours forever, never set me free, no, no, no

If you're locked up in this prison, Trace, I don't know
what I'll do

Link, I've got to break out, so that I can get my hands
on you

And girl, if I can't touch you, now, I'm gonna lose
control

Seaweed, you're my black white knight, I've found my
blue-eyed soul

Sweet freedom is our goal

Trace, I wanna kiss ya, then I can't wait for parole

'Cause without love, life is like a prom that won't invite
us without love

Life's getting my big break and laryngitis

Without love, life's a '45' when you can't buy it without
love

Life is like my mother on a diet

Like a week that's only Mondays, only ice cream, never
sundaes

Like a circle with no center, like a door marked, 'Do Not
Enter'

'Cause I never wanna be without love

Yes, now you've captured me without love

I surrender happily, without love

Oh seaweed, never set me free, no, no, no

No, I ain't lyin', never set me free, no, no, no

No, I don't wanna live without love, love, love

Yeah, yeah, yeah, darling, you had best believe me

Never leave me without love
