I can get your heart beat beat-beat-beatin' like
I can get your heart beat beatin' like that
You know you got my heart beat beat-beat-beatin' like
Hey-ay ay-ay
I can get your heart beat beat-beat-beatin' like
I can get your heart beat beatin' like that
You know you got my heart beat beat-beat-beatin' like
(Hey-ay ay-ay 2x)

Would you, would you want it if I stood up above a
crowd
Got up on a chair and if I shouted your name aloud
Could you, could you take me, call me baby without a
doubt
I'm shouting your name right now, shouting your name
right now

Don't you get it, get it, I'm nothin' like them other ones
Raise upon the notion, I ain't hosting no reruns
I said it, said it, said it, wouldn't let it be all or none
'Cause I ain't no rerun, I ain't no rerun

And I'll make you forget (forget)
What you came here for (here for)
For goodness sake, let's make or break this heart
'Cause it needs more

I can get your heart beat beat-beat-beatin' like
I can get your heart beat beatin' like that
You know you got my heart beat beat-beat-beatin' like
(Hey-ay ay-ay 2x)

I can get your heart beat beat-beat-beatin' like
I can get your heart beat beatin' like that
You know you got my heart beat beat-beat-beatin' like
(Hey-ay ay-ay 2x)

Would you want, want want it if I opened your gate
tonight
Took you by the hand and made your heart beat at the
speed of light
Could you, could you take it if I treated you just right

Your heart at the speed of light
My heart at the speed of light

Jugglin' the consequences, losin' you bluesway
Might as well go there, 'cause we're already
halfway
We're only young once so grow up with me babe
We're already halfway, already halfway

And I'll make you forget (forget)
What you came here for (here for)
For goodness sake, let's make or break this heart
'Cause it needs more

I can get your heart beat beat-beat-beatin' like
I can get your heart beat beatin' like that
You know you got my heart beat beat-beat-beatin' like
(Hey-ay ay-ay 2x)

I can get your heart beat beat-beat-beatin' like
I can get your heart beat beatin' like that
You know you got my heart beat beat-beat-beatin' like
(Hey-ay ay-ay 2x)

No, I won't leave this room without you
You know you're feelin' like you're
supposed to
I know you know you want to see how fast it can go
So let me take it to the top
And bring it down slow

I can get your heart beat beat-beat-beatin' like
I can get your heart beat beatin' like that
You know you got my heart beat beat-beat-beatin' like
(Hey-ay ay-ay 2x)

I can get your heart beat beat-beat-beatin' like
I can get your heart beat beatin' like that
You know you got my heart beat beat-beat-beatin' like
(Hey-ay ay-ay 2x)

Hey-ay
Let me hear you like
Hey-ay-ay ay-ay
Can you do it like
Hey-ay ay-ay

Hey-ay
Let me hear you like
Hey-ay-ay ay-ay
Can you do it like

Hey-ay ay-ay
