I'll be your entertainer  
I'm puttin on a show  
I'm gonna levitate ya  
Leave ya  
Wa- Wa- Wantin more  
I see you fascinated  
I've got you hypnotized  
White gloves what you dream of  
A fantasy before your eyes

Step right up  
On the stage  
Free yourself from the cage  
Pick a card and guess it girl  
Heres a lesson girl

It's just an illusion  
1-2-3 I dissapear  
I'm coming right back so stay right here  
Ain't no second guessing girl  
I'm impressing girl  
But I'm just an illusion

Oh, uh, listen

I ain't no fake Houdini  
I'll put a spell on you  
I'm something like a genie  
Girl I'll make your wish come true

And now our time is running  
With every grain of sand  
So here's the grand finale  
Watch me do my sleight of hand

Step right up on the stage  
Free yourself from the cage  
Pick a card and guess it girl  
Here's a lesson girl  
But I'm just an illusion  
1-2-3... I disappear  
I'm coming right back, so stay right here

Ain't no second guessing girl  
I'm impressing girl  
But I'm just an illusion

Somewhere in a dream  
We'll meet again my baby  
And I promise that I won't disappear  
I'll be right here  
And I won't be won't be won't be  
Just an illusion (yeah, baby)

Step right up on the stage  
Free yourself from the cage  
Pick a card and guess it girl  
Here's a lesson girl  
But I'm just an illusion  
1-2-3... I disappear  
I'm coming right back, so stay right here  
Ain't no second guessing girl  
I'm impressing girl  
But I'm just an illusion

Step right up on the stage  
Free yourself from the cage  
Pick a card and guess it girl  
Here's a lesson girl  
But I'm just an illusion  
1-2-3... I disappear  
I'm coming right back, so stay right here  
Ain't no second guessing girl  
I'm impressing girl  
But I'm just an illusion
