Laura:

When you're on your own
Drowning alone
And you need a rope that can pull you in
Someone will throw it

Ross:

And when you're afraid
That you're gonna break
And you need a way to feel strong again
Someone will know it

Both:

And even when it hurts the most
Try to have a little hope
'Cause someone's gonna be there when you don't
When you don't

Chorus:

If you wanna cry, I'll be your shoulder
If you wanna laugh, I'll be your smile
If you wanna fly, I will be your sky
Anything you need that's what I'll be

If you wanna climb, I'll be your ladder
If you wanna run, I'll be your road
If you want a friend, doesn't matter when
Anything you need, that's what I'll be
You can come to me

Laura:

You can come to me,
Yeah
