Don't go Home

There's a vibe in the city
There is something going down
I can feel it

Temperature rising
Though the sun is settling low
I can feel it

People come together
No pretence and nothing clever
Can you feel it (x2)

Chorus
If it's a lovin' that you want
If it's a real good time
Don't go home
Don't go home
Come on and live in this moment
Have a real good time
Don't go home
Don't go home
La la laa la la la laa la

Although the air's a little sticky
Girls are still lookin' pretty
Can you feel

Why do you wana be grounded
Make your way up high
Can you feel it

Oh baby can you feel it

Can you feel it
Baby

Don't go
Don't go
Don't

If itâ€™s a lovinâ€™ that you want
If itâ€™s a real good time
Donâ€™t go home
Donâ€™t go home
Come on and live in this moment
Have a real good time
Donâ€™t go home
Donâ€™t go home
La la laaa la la la la laa la
