Rowdy B - High Life

High life

I'm livin a fantasy

These beautiful women around me

White lines as long as the equator

Speakers turned up, no beefin with my neighbors

Sit back, Philly crack, that's a shotgun

Lookin for my Bic, who's got one

Tattoos show the shit that I'm into

Fuck you, man i hope i offend you

Inhale, exhale the weed smoke

Purple lungs, yeah we puff that reefer

Visine got my eyes all clean

Now i can see how she got her ass in those jeans

Mall cops know that we stay fly, they stay high

I wave at em as I roll by

Drop the window, exhale the indo

Sittin in traffic, playin Nintendo

Spreadin the dreams, Martin Luther king

23's on the whip, Michael Jordan's on my feet

White lines as long as the equator

On top of the world, high haters

Dollar signs when I step in the sunshine

I stay in rotation, hit the blunt one more time

I've never been a funny ass white dude

Cross me I'll put your ass in a black suit

I can show you how to dodge these felonies

How to be a player, Bill Bellamy

Stay fresh, charge the Amex

No lie, been in more women than Playtex

Tattoos show the shit that I'm into

Fuck you, man I hope I offend you

They don't understand that I'm gonna do what I
wanna do

That means I ain't goin to school

Rather kick it with my homies and smoke weed
Kick it with these girls and these palm trees
Chillin on the beach, blowin shot guns
Lost another bic, whoâ€™s got one
We partied like its 20 and 12
Snowflakes on the table, women dancin with elves
These gnomes
Iâ€™m all in your ear like a cell phone
Shit, Iâ€™m in your face Gucci Mane snow cone

High life
Iâ€™m livin a fantasy
These beautiful women around me
White lines as long as the equator
Speakers turned up, no beefin with my neighbors
Sit back, Philly crack, that's a shotgun
Lookin for my Bic, whoâ€™s got one
Tattoos show the shit that I'm into
Fuck you, man i hope i offend you
