We were on fire
But we burnt out
What we thought it was never turned down
You made me played the game
I'll never learn how
You didn't hear my voice
Can you hear me now?

Run to me
Tell me your secrets
Promise to keep them
Won't you just
Run to me
I'll be your shelter
When you feel helpless
Won't you just run?

If you follow me
I can keep you safe
Make a perfect plan
We can leave this place

Did I lose you now?
Do we have to stay?
Don't want to go on my own
But I have to get away

Run to me
Tell me your secrets
Promise to keep them
Won't you just
Run to me
I'll be your shelter
When you feel helpless
Won't you just run?

Runâ€¦
Runâ€¦

I will, I will
Runâ€¦
We will, we will

We were on fire
But we burnt out
What we thought it was never turned down
Did I lose you now?
Do we have to stay?
Did I lose you now?

Run to me
Tell me your secrets
Promise to keep them
Won't you just
Run to me
I'll be your shelter
When you feel helpless
Won't you just run?

Runâ€¦
Runâ€¦
