I'm going to order pizza, look at me I'm on the phone,
right now.

I started calling and I am hungry to the bone.

So while I wait I start to sing, the song of my people, I
know it since I

Was a baby.

Let's sing the pizza song!

Chorus:

[SO, Yatatatata, Yatatatata, Yatatatatatatatata, OH
HAHA!] x3

Yatatatata, yatatatata, yatatatatatatatataw.

You think that I ordered steak, oh this is all so wrong, I
only want a

Pizza, I said so on the phone!

NO!

Sandvich is for babies and steak is also bad. So I sing a
song for pizza,

So sing with me my friend!

Chorus:

Yatatatata, Yatatatata, Yatatatatatatatata, OH HAHA!

Yatatatata, yatatatata, yatatatatatatatata, COME ON!

Yatatatata, yatatatata, yatatatatatatatata, OH HAHA!

Yatatatata, yatatatata, yatatatatatatatataw.
