(Verse)

Feeling like it's all been pointless  
I keep holding on  
Every day's an uphill battle  
I believe you're the one

(Bridge)

Everybody says  
That you're no good for me  
But I don't care what they say  
'Cause you're everything that I can't be

(Pre-Chorus)

I can't give you up and put you down  
My friends say you put your love around  
Can't give you up no matter what I do  
My happiness depends on you

(Chorus)

I'd give you up but it would break my heart  
Rather dies than be apart  
Can't give you up, can't give you up  
Can't give you up, I can't give you up

Spent my day  
I can't give!  
Spent my day  
I can't give!

(Verse)

Baby we can be together  
We keep holding on  
Every time you smile I know you'll  
Always be the one

(Bridge)

Everybody says  
That you're no good for me  
But I don't care what they say  
'Cause you're everything that I can't be

(Pre-Chorus)

I can't give you up and put you down  
My friends say you put your love around  
Can't give you up no matter what I do  
My happiness depends on you

(Chorus)

I'd give you up but it would break my heart  
Rather dies than be apart  
Can't give you up, can't give you up  
Can't give you up, I can't give you up

Spent my day without you  
I can't live without you  
Spent my day without you  
I can't live without you

Spent my day  
I can't give!  
Spent my day  
I can't give!

I can't give you up, give you up, give you up  
I can't give!  
I can't give you up, give you up, give you up  
I can't give you up  
I can't give you up, give you up, give you up  
I can't give!  
I can't give you up, give you up, give you up  
I can't give you up
